50 years of Aviation Maintenance Experience

EASA: NO.145.0123 & FAA: NRZY557X

NORWAY
member of the European Aviation Safety Agency

Approval Certificate

Reference: NO.145. 0123

Pursuant to the Commission regulation (EC) No. 2042/2003 for the time being in force and subject to the conditions specified below, the Civil Aviation Authority, Norway, hereby certifies

Norrønafly – PW & AP AS

as a Part-145 maintenance organisation approved to maintain the products listed in the attached approval schedule and issue related certificates of release to service using the above reference.

CONDITIONS:

1. This approval is limited to that specified in the scope of approval section of the Part-145 approved maintenance organisation exposition.
2. This approval requires compliance with the procedures specified in the Part-145 approved Maintenance Organisation Exposition.
3. This approval is valid whilst the approved maintenance organisation remains in compliance with Part-145.
4. Subject to compliance with the foregoing conditions, this approval shall remain valid for an unlimited duration until the approval is surrendered, superseded, suspended or revoked.
